MEMO ENDORSED

Re: *In re Application of AT&T Mobility LLC*, 09 Civ. 7072, *In re Application of Cellco Partnership d/b/a Verizon Wireless*, 09 Civ. 7074, *In re Application of Ericsson Inc.*, 09 Civ. 7076, all related to *United States v. American Society of Composers, Authors & Publishers*, 41 Civ. 1395

Dear Judge Cote:

We write on behalf of the parties in the above-referenced consolidated proceedings to inform the Court that the parties have executed detailed binding term sheets setting forth settlement and license terms through 2012 that resolve the issues that the parties intended to present to the Court for decision in the upcoming trial. The parties are now working through preparing and finalizing definitive settlement agreements and licenses, but require some time for calculations to be made and for various non-economic terms to be addressed. The parties believe that they will work through this process in a timely manner and that they will promptly settle these proceedings with the submission of the prospective license agreements and a stipulation requesting dismissal. The parties thus jointly request that all deadlines be adjourned for 60 days by which time the parties intend to finalize the definitive agreements.

In light of the rapidly approaching date for submission of the Joint Pretrial Order, the parties respectfully request a brief telephone conference this afternoon to respond to any questions that the Court may have.

Respectfully submitted,

David Leichtman
